

HEALING TESTEMONY OF BABY BENI, 2 Years old

Condition: Paralysis, typhoid, lost speech and swollen belly since some months after birth.

MOTHER: GUILHERMINA RAMIRO

GRANDMOTHER: DONA MARCELINA

During the healing service that was in Luanda, Angola; Mrs. Wilhelmina Ramiro, was preparing her son to take him to the hospital because it had been a a long time that Her Son was suffering from Typhoid fever in which he had lost the speech, became paralyzed, and the stomach was swollen so severely. The mother has been attending the hospitals routinely with the baby in search for healing and solution for her son, but nothing happened.

When the Mother of baby BENI was preparing the baby to take her to the hospital, the grandmother who is a member of Repent Angola told her to rather come to the healing service that will take place on the stadium 11 de Novembro with the MIGHT PROPHET OF THE LORD on the 27th June 2015. The Grandmother asked her to postpone the hospital visit and TO RATHER go and visit GOD first. The mother obeyed and went to the healing service.

During the healing service, nothing happened to her son baby BENI but the MIGHT PROPHET OF THE LORD, pronounced and announced: *“For those who did not receive their healing here, the healing will follow them until their homes and when the reach home they will discover that their baby is healed”*.

On the following day, 28th June 2015, the mother had left baby BENI sleeping on the bed and the mother was somewhere in the house, when all of sudden, the baby starting calling the mother from the outside of the house. The mother was shocked and she ran to see in the bedroom if the baby was there, but the baby was not there, and so the mother ran outside and **to her amazement and shock, the baby BENI was walking, speaking, the belly that was swollen was empty and the baby totally healed. HALLELUJAH AND GLORY TO THE LORD GOD ALMIGHTY!!!**

The Mother, the Grandmother and the baby came to the Church on Sunday to testify the LORD’s healing power and celebrate the Blood of the LORD JESUS CHRIST.
